Sistema tradizionale

Traditional system / System Traditionnel / Traditionelles System / Sistema tradicional

Sistema tradizionale con tubo avvolgitore standard.

I tubi avvolgitori tradizionali consumano il tessuto lungo le cuciture laterali e centrali, deformandolo e alterandone il colore.

Traditional system with standard roller tube.

Traditional roller tubes use the fabric up along the middle and side seams, straining its shape and warping its colour.

System Traditionnel avec tube enrouleur standard.

Le Tube enrouleur traditionnel endommage le tissu au long des coutures centrales et laterales en déformant et altérant la couleur.

Traditionelles System mit Standard-Tuchwelle.

Die traditionellen Tuchwellen beschädigen das Tuch den seitlichen und zentralen Nähten entlang, was zu einer Verformung und Verfärbung führt.

Sistema tradicional con tubo enrollador estandard.

El tubo enrollador estandard desgasta la lona lo largo de las costuras en el centro y en los lados, deformandola y alterando su color.

Rollerbat

Sistema Rollerbat

il rivoluzionario tubo avvolgitore brevettato. Con una semplice ma geniale modifica sull'ogiva del tubo avvolgitore, il tessuto si avvolge senza subire nessun tipo di deformazione preservandosi più a lungo nel tempo.

Rollerbat System

the revolutionary patented roller tube. Thanks to a simple but brilliant modification of the roller tube ogive, the fabric rolls up without getting deformed and thus will last longer.

Le Système Rollerbat

le révolutionnaire tube enrouleur brevetté avec une simple mais géniale modification de la gorge du tube enrouleur, le tissu enroule sans subir aucun type de déformation. Par conséquent le tissu va conservé sa qualité plus long temp.

Rollerbat System

Die patentierte und revolutionierte Tuchwelle. Durch eine einfache aber geniale Änderung der Nut, kann das Tuch ohne jegliche Verformungen aufgerollt werden. Somit bleibt seine Qualität auf lange Zeit bewahrt.

Sistema Rollerbat

el revolucionario sistema del tubo enrollador patentado. Con una simple pero genial modificacion en el ojuelo del tubo enrallador, la lona se enrolla sin subir ningun tipo de deformacion preservandose en buenas condiciones por mas tiempo.

ROULE

Rollerbat

Grazie a Rollerbat il tessuto è alloggiato più comodamente all'interno del cassonetto che può all'occorrenza contenerne una maggiore lunghezza. Ora disponibile nelle seguenti misure:

Thanks to Rollerbat the fabric has more room inside the cassette and thus its length can be bigger.

Grâce a Rollerbat le tissu loge plus confortablement a l'intérieur du coffre lequel peu loger un tissu plus long.

Dank Rollerbat findet das Tuch innerhalb der Kasette mehr Platz und somit können mehr Laufmeter aufgerollt werden.

Gracias a Rollerbat el tepido se encuentra hospedado mas comodamente a l'interior del cofre y puede alojar mas lona.
